Proven Performer

Keep your truck looking hot with the tough protection of Scotchgard™ Paint Protection Film. Scotchgard film provides a transparent barrier between your truck's paint and flying rocks, bugs and road debris. Get it on your hood, bumpers, side view mirrors, door edges and more.

Scotchgard film can take what the road throws at it.

Find a pro installer in your area at www.3M.com/PaintProtectionFilm or call 888-663-1394 ext. 63.
